Yes,

I don't
think calling

Good.

I think that

have their
own special
personalities
and their own
problems.

personas nothing
about the club
members.

Oh really? Kanna...
Huh? If finding
people with talents
that others couldn't
do is hard.

They were all
discarded by that
and not invited
into the club.

And to the
members of
this club...

She calls this

whether
he is a club
member.

He really
knows what
he is.

Anything
might
happen.

"Aahh."

when the sub-
mission date
draws near.

I don't know why,
but there's
also a
completed script
on the club table.

interesting
student
actually
exists
somewhere
within this
school.

Even if they
aren't a club
member, we
published it in
the magazine
since the
quality is
so high.

Although we don't
know their
identity, we can
tell that they're a
student from the
note on the club
page...
